## **General Notes Regarding the Debtor's Schedules of Assets and Liabilities and Statements of Financial Affairs**

The Reader's Digest Association, Inc. ("Reader's Digest") and certain of its affiliates, as debtors and debtors in possession (collectively, the "Debtors"),<sup>1</sup> are filing their respective Schedules of Assets and Liabilities (each a "Schedule" and, collectively, the "Schedules") and Statements of Financial Affairs (each a "SOFA" and, collectively, the "Statements") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

The Debtors' management prepared the Schedules and Statements with the assistance of its court-appointed advisors. The Schedules and Statements are unaudited. The Debtors' management and advisors have made reasonable efforts to ensure that they are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation; however, subsequent information or discovery may result in material changes to the Schedules and Statements and inadvertent errors or omissions may exist, notwithstanding any such discovery or new information, however the Debtor shall not be required to update the Schedules and Statements.

- 1. Description of the Cases.** On August 24, 2009 (the "Petition Date"), the Debtors filed petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On August 26, 2009, the Court entered an order jointly administering these cases pursuant to Bankruptcy Rule 1015(b). On August 31, 2009, the United States Trustee for the Southern District of New York (the "U.S. Trustee") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code (the "Committee").

2. **Purpose of General Notes.** These General Notes Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "General Notes") are in addition to the specific notes set forth below with respect to the Schedules and Statements (the "Specific Notes" and together with the General Notes, the "Notes"). These Notes are incorporated by reference in and comprise an integral part of the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

3. **Methodology and Limitations**

- (a) **Basis of Presentation.** The Debtors in these chapter 11 cases do not include all of the direct and indirect subsidiaries of Readers' Digest (collectively, the "Company"). Accordingly, combining the assets and claims set forth in the Schedules and Statements would result in amounts substantially different from financial information regarding Readers' Digest and its subsidiaries if such information were otherwise prepared on a consolidated basis under generally accepted accounting principles ("GAAP"). Therefore, the Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP.
- (b) **Debtors' Consolidated Cash Management System.** The Debtor and its affiliated Debtors utilize a central and consolidated cash management system, which consists of approximately 106 domestic and foreign bank accounts. The Debtors manage the cash within the cash management system by transferring funds among bank accounts as needed based on cash receipts and disbursements. The Debtors described the consolidated cash management system in detail in the Debtors' Debtors' Motion for Entry of Interim and Final Orders Authorizing the Debtors to (A) Continue Using Their Existing Cash Management System, Bank Accounts and Business Forms, (B) Maintain Existing Investment Practices, (C) Continue Intercompany Transactions and (D) Provide Postpetition Intercompany Claims Administrative Expense Priority [Docket No. 7]. The Court authorized the Debtors to continue using the cash management system on an interim basis by order entered August 26, 2009 [Docket No. 28]. As part of the cash management system, the Debtor maintains accounting records of daily transactions between and among itself and the Debtor affiliates. Thus, the Debtor's debits and credits are known and recorded. However, given the volume of such transactions, it would be unduly burdensome for the Debtor to identify separately each of these transactions for purposes of the Schedules and Statements. Accordingly, the Schedules and Statements may not reflect all payments made by an affiliated entity on behalf of this Debtor.
- (c) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtor has deemed it necessary and appropriate to redact from the public record information such as names, addresses or amounts. Typically, the Debtor has used this approach because of an

agreement between the Debtor and a third party, concerns of confidentiality or concerns for the privacy of an individual. The Debtor has prepared a separate version of any Schedule or SOFA from which information has been redacted. The Debtor will file a motion with the Bankruptcy Court to file the unredacted version under seal, and will provide a copy of the unredacted version to the U.S. Trustee and to counsel for the Committee.

- (d) **Net Book Value of Assets.** It would be prohibitively expensive and unduly burdensome to obtain current market valuations for all of the Debtor's property interests. As the Debtor's fiscal year ends on June 30, it would also be prohibitively expensive and unduly burdensome to derive the net book value of assets as of August 24, 2009. Unless otherwise indicated, the Schedules and Statements reflect net book values of assets as of July 31, 2009. Operating cash is presented as bank balances as of the Petition Date, and does not include cash held by non-Debtor entities. Certain other assets such as investments in subsidiaries are not included and other intangible assets, such as patents, trademarks and copyrights are listed as undetermined amounts as of the Petition Date because the book values may materially differ from fair market values. Unless otherwise noted, the Schedules and Statements reflect carrying values of the assets as recorded on the Debtors' books and records as of July 31, 2009, and are not based upon any estimate of their current market value.
- (e) **Liabilities.** Unless otherwise indicated, all liabilities are listed as of August 24, 2009.
- (f) **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars, which in some cases reflects a conversion based on foreign exchange rates as of August 24, 2009.
- (g) **Payment of Prepetition Claims Pursuant to First Day Orders.** On August 26, 2009 and September 17, 2009, the Bankruptcy Court entered orders authorizing the Debtor to (a) pay prepetition employee and independent contractor wages, salaries and related items, including Employee Benefit Programs (as defined in the Wages Motion); (b) continue customer programs and to honor and pay certain prepetition customer obligations; (c) pay certain prepetition lien claims; (d) pay prepetition claims of certain critical vendors; and (e) pay prepetition trust fund and franchise taxes. In addition, on September 17, 2009, the Bankruptcy Court entered an order authorizing the Debtor to continue certain insurance programs and to honor prepetition insurance obligations. Liabilities with respect to claims that have been approved for payment by the Bankruptcy Court and have been paid by the Debtor are not listed on the Schedules. Additionally, Liabilities with respect to claims that have been approved for payment by the Bankruptcy Court may not be listed on the Schedules or Statements. The Debtor reserves the right to update the

Schedules and Statements to reflect payments made pursuant to the above referenced orders.

- (h) **Historical Information.** In certain instances, the Schedules and Statements require historical responses from the Debtors. Certain Debtors have only recently become part of the Company through merger or acquisition. As a result, the responses to the Schedules and Statements include information for the recently acquired Debtors only from the time of such Debtor's acquisition to the Petition Date. Specifically, WRC Media, Inc. and Direct Holdings US Corp. and their direct and indirect subsidiaries were acquired on March 2, 2007. Additionally, Allrecipes.com, Inc. was acquired on April 20, 2006.

**4. Debtor's Reservation of Rights.** Nothing contained in the Schedules, Statements or the General Notes shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination, characterization or re-characterization of contracts, assumption or rejection of executory contracts under the provisions of chapter 3 of the Bankruptcy Code and causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any applicable non-bankruptcy laws to recover assets or avoid transfers.

- (a) Any failure to designate a claim listed on the Debtor's Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtor reserves the right to dispute, or to assert setoff rights, counterclaims or defenses to, any claim reflected on its Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated."
- (b) Listing a claim on the Debtor's Schedules as "secured" does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to reclassify such claim or contract. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtor's assets in which such creditors may have a lien has been undertaken. The Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor's claim.
- (c) Listing a claim on the Debtor's Schedules as "unsecured priority" does not constitute an admission by the Debtor of the legal rights of the claimant. The Debtor hereby expressly reserves the right to assert that any claim listed as unsecured priority does not constitute an unsecured priority claim under section 507 of the Bankruptcy Code and thus constitutes an unsecured nonpriority claim.

- (d) The Debtor's business is part of a complex enterprise. Although the Debtor has made every effort to ensure the accuracy of its Schedules and Statements, inadvertent errors, omissions or inclusion may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on the Debtor's Schedules and Statements and to amend further or supplement the Schedules and Statements as necessary.
- (e) The Debtor further reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules and Statements, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument related to a creditor's claim.
- (f) The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors have placed the Guaranty obligations on Schedule H for the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or F for each guarantor. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules and Statements to the extent additional Guaranties are identified. In addition, the Debtors reserve the right to amend the Schedules and Statements and to recharacterize or reclassify any such contract or claim, whether by amending the Schedules and Statements or in another appropriate filing.
- (g) The Debtors believe that they may possess certain claims and causes of action against various parties. The Debtors may also possess contingent and unliquidated claims against affiliated entities (both Debtor and non-Debtor) for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from, among other things, (i) letters of credit, (ii) note payable and receivable, (iii) surety bonds, (iv) guaranties, (v) indemnities, (vi) tax sharing agreements, and (vii) warranties. The Debtors reserve their rights to supplement the Schedules for these items at a later date.
- (h) The placing of a contract or lease onto the Debtor's Schedules shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid and enforceable contract. The Debtor hereby expressly reserves the right to assert that any

contract listed on the Debtor's Schedules does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code.

**Specific Notes With Respect to the Debtors' Schedules of Assets and Liabilities**

5. **Schedule A.** All owned real estate is reported net of accumulated depreciation through July 31, 2009. The Debtors may have listed certain assets as real property when such holdings are in fact in the nature of personal property holdings, or the Debtors may have listed certain assets as personal property assets when such holdings are in fact real property holdings. The Debtors reserve all of their rights to recategorize and/or recharacterize such asset holdings at a later time to the extent the Debtors determine that such holdings were improperly listed.
6. **Schedule B.** Balances on Schedule B are shown on the basis of their net book value. Amounts ultimately realized or realizable on account of such assets may vary from net book value and such variance may be material. Attempts to obtain current market valuations of all assets would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets. Accordingly, the Debtor has not attempted to do so in connection with the preparation of this schedule. The Debtors reserve their right to amend the values attributed to the assets recorded on Schedule B as necessary. Further, as stated above, the Debtors may have listed certain assets as real property assets when such assets are in fact in the nature of personal property or the Debtors may have listed personal property assets when such holdings are in fact real property. Inventories consist primarily of finished goods and raw materials (including paper). Most inventory is held and maintained at third party locations. The Debtors reserve their right to recategorize and/or recharacterize such asset holdings at a later time to the extent the Debtors determine that such holdings were improperly reported. Certain of the Debtors' machinery, fixtures, equipment, and supplies used in business are not capitalized in some situations and may not be listed on Schedule B.
7. **Schedule B-1 and B-2: Cash on Hand and Financial Accounts.** Cash balances are shown as of August 24, 2009.
8. **Schedule B-3: Security Deposits With Public Utilities, Telephone Companies, Landlords and Others.** By order dated September 17, 2009, the Court approved certain adequate assurance of payment for future utility service. In connection therewith, if the Debtor made a security deposit, such deposit is not listed on Schedule B, which is prepared as of the Petition Date.
9. **Schedule B-9: Interests in Insurance Policies.** Reader's Digest purchases and acquires insurance policies on behalf of all of the Debtors. As a result, such insurance policies are reflected on each Debtor's Schedule B-9.
10. **Schedule B-16: Accounts Receivable.** The Company uses a consolidated cash management system and often engages in certain intercompany financial transactions which typically involve transfers of cash to and from appropriate bank accounts. At any given time, there may be balances due and owing among the various Debtors and non-

Debtor members of the Company. These balances represent extensions of intercompany credit made in the ordinary course of business that are an essential component of the cash management system or the integrated operations of the Company's business. Therefore, amounts included as intercompany accounts receivable may include amounts due from other Debtors, non-Debtor affiliates and non-Debtor joint ventures in which Readers' Digest or an affiliated entity has an interest. Additionally, under certain circumstances, prepetition intercompany accounts receivable may be set-off against prepetition intercompany payable with the authority of the Bankruptcy Court and local legal jurisdictions. These schedules reflect intercompany accounts receivable on a basis consistent with that reported in the Company's financial records. These balances represent the combination of intercompany trade receivables resulting from the sale of goods and services, intercompany loans receivable, intercompany interest receivable and other intercompany amounts owed or outstanding. Intercompany accounts receivable have been shown as of August 24, 2009. The Debtor continues to refine these balances to determine where the right of set-off may be available between certain intercompany accounts receivable and intercompany accounts payable.

11. **Schedule B-21: Other contingent and unliquidated claims of every nature.** In the ordinary course of its business, the Debtor may have or accrue certain rights to refunds, counterclaims, setoffs, refunds with its customers and suppliers or potential warranty claims against its suppliers. Such claims are not known and quantifiable as of the Petition Date, and accordingly, are not listed on Schedule B.
12. **Schedules B-22: Patents, copyrights and other intellectual property and B-23: Licenses, franchises and other general intangibles:** The Debtor's business is part of a complex global enterprise consisting of numerous and various intellectual property rights and licenses. The Debtor's Schedule B-22 includes registered and applied for domestic copyrights, trademarks and patents, but does not include foreign intellectual property registrations, common law intellectual property or third party intellectual property utilized by the Debtor under license. Similarly, the Debtor's Schedule B-23 does not include third party intellectual property utilized by the Debtor under license. Additionally, the Debtors are parties to thousands of rights agreements of various forms, including in many cases invoices or purchaser orders, under which the Debtors obtain the right to use intellectual property controlled by third parties or license to third parties the right to use intellectual property controlled by the Debtors (collectively, the "Rights Agreements"). The Debtors have not attempted to identify all Rights Agreements because doing so would be unduly burdensome, and as a result, they are not included in Schedule B-22 or B-23.
13. **Schedule B-24: Customer Lists:** The Debtors maintain, or engage third parties to maintain, subscription and customer lists for their various publications and products. If a Debtor has customer lists, they are shown on Schedule B-24, however, the Debtors have not placed a specific value on the lists.
14. **Schedules B-28: Office equipment, furnishings and supplies and B-29: Machinery, fixtures, equipment and supplies used in business:** The Debtor's business is part of a complex enterprise. Although the Debtor has made every effort to ensure the accuracy of

Schedules B-28 and B-29, inadvertent errors, omissions or inclusion may have occurred. Additionally, there may be certain assets the value for which is included in a fixed asset group or certain assets with a net book value if zero which are not set forth on Schedule B-28 or B-29.

**15. Schedule D.**

- (a) Listing a claim on Schedule D as “secured” does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor’s right to reclassify such claim or contract. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtor’s assets in which such creditors may have a lien has been undertaken. Except as otherwise represented in an order of the Bankruptcy Court, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor’s claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor’s claim.
- (b) By interim order dated August 26, 2009, and final order dated September 17, 2009, the Court approved the Debtor’s payment of certain prepetition lien claims and priority claims. The Debtor is still in the process of analyzing these claims and, to the extent the Debtor has paid any of them, they may not be listed on Schedule D. In addition, statutory, de minimis or inchoate lien rights or garnishments may exist in favor of certain of the Debtor’s creditors. The Debtor has not listed on this Schedule D any creditors who may allege secured claims based on any such lien rights unless such claimant has filed a lien or sent a notice of their lien rights.
- (c) The claims listed on Schedule D arose or were incurred on various dates and a determination of each date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule D, however, appear to have arisen or to have been incurred prior to the Petition Date.
- (d) Except as specifically stated herein, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. Certain of the Debtors’ agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. At this time, the Debtors have not reported such agreements on Schedule D. However, the Debtors reserve the right to amend Schedule D in the future to the extent that the Debtors determine that any claims associated with such agreements are improperly reported on Schedule G. Further, the Debtors reserve all of their rights, claims and causes of action with respect to claims associated with any contracts and agreements listed on Schedule D or Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including any intercompany agreement) related to a creditor’s claim. Nothing herein shall be construed as an admission by the Debtors of the legal

rights of the claimant or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

- (e) Under the Interim Order Under 11 U.S.C. §§ 105, 361, 362, 363 (c), 364 (c)(1), 364 (c)(2), 364(c)(3), 364 (d)(1) and 364(e) and Bankruptcy Rules 2002, 4001, and 9014 (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Adequate Protection to Prepetition Secured Lenders, and (IV) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 4001(b) and (c) [Docket No. 26], the Debtors obtained interim approval of \$150 million in debtor-in-possession financing from its senior lender group which is convertible into exit financing upon emergence. That amount is not reflected in the Schedules, as the Schedules reflect amounts incurred as of August 24, 2009.

**16. Schedule E.**

- (a) Listing a claim on Schedule E as "unsecured priority" does not constitute an admission by the Debtor of the legal rights of the claimant. The Debtor hereby expressly reserves the right to assert that any claim listed on Schedule E, including but not limited to claims in excess of \$10,950 (as applicable), does not constitute an unsecured priority claim under section 507 of the Bankruptcy Code and thus constitutes an unsecured nonpriority claim.
- (b) By interim order dated August 26, 2009, and final order dated September 17, 2009, the Court authorized the Debtor to pay or honor certain prepetition obligations for employee wages, salaries, bonuses and other compensation, reimbursable employee expenses and employee medical and similar benefits. The Debtor is in the process of analyzing these claims and, believes that they do not have any such claims. As a result, they are not included on Schedule E.
- (c) The claims listed on Schedule E arose or were incurred on various dates and a determination of each date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule E, however, appear to have arisen or to have been incurred prior to the Petition Date.

**17. Schedule F.**

- (a) Listing a claim on Schedule F as “unsecured nonpriority” does not constitute an admission by the Debtor of the legal rights of the claimant. The Debtor hereby expressly reserves the right to assert that any claim listed on Schedule F does not constitute an unsecured nonpriority claim (including the right to assert that any such claim constitutes a secured or priority claim). Additionally, noting that a claim on Schedule F is “subject to setoff” does not constitute an admission by the Debtor of the legal rights of the claimant. The Debtor hereby expressly reserves the right to assert that any claim listed on Schedule F is not subject to setoff or dispute any claim to such setoff.
- (b) In accordance with generally accepted accounting principles, the Debtor’s books and records reflect certain accruals and reserves for known or contingent liabilities, including other post employment benefit accruals that the Debtor does not believe constitute actual claims as of the Petition Date. As a result, such liabilities are not listed on Schedule F.
- (c) The Company uses a consolidated cash management system and often engages in certain intercompany financial transactions which typically involve transfers of cash to and from appropriate bank accounts. At any given time, there may be balances due and owing among the various Debtors and non-Debtor members of the Company. These balances represent extensions of intercompany credit made in the ordinary course of business that are an essential component of the cash management system or the integrated operations of the Company’s business. Therefore, amounts included as intercompany accounts receivable may include amounts due from other Debtors and non-Debtor affiliates in which Readers’ Digest or an affiliated entity has an interest. Additionally, under certain circumstances, prepetition intercompany accounts receivable may be set-off against prepetition intercompany payable with the authority of the Bankruptcy Court and local legal jurisdictions. These schedules reflect intercompany accounts receivable on a basis consistent with that reported in the Company’s financial records. These balances represent the combination of intercompany trade receivables resulting from the sale of goods and services, intercompany loans receivable, intercompany interest receivable and other intercompany amounts owed or outstanding. Intercompany accounts receivable have been shown as of August 24, 2009.
- (d) The claims listed on Schedule F arose or were incurred on various dates and a determination of each date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule F, however, appear to have arisen or to have been incurred prior to the Petition Date.
- (e) In the ordinary course of its business, the Debtor and its vendors and customers routinely set off respective obligations in connection with day-to-day purchases and sales of goods and services in various forms including returns, rebates, credits

and billing adjustments. Such ordinary course vendor and customer setoffs are not included on Schedule F. The Debtor reserves all rights with respect to any such credits and allowances including the right to assert claims objections and/or setoffs.

- (f) Some of the litigation claims listed on Schedule F may be subject to subordination pursuant to section 510 of the Bankruptcy Code.
- (g) By interim order dated August 26, 2009, and final order dated September 17, 2009, the Court approved the Debtor's payment of prepetition claims of certain critical vendors and certain prepetition lien claims and priority claims (the "Critical Vendors Order"). The Debtor's Schedule F reflects the Debtor's payment of certain claims pursuant to the Critical Vendors Order since August 26, 2009, and, to the extent a claim has been paid, it is not included on Schedule F. The Debtor may pay additional claims listed on Schedule F during this chapter 11 case pursuant to the Critical Vendors Order and reserve the right to update Schedule F to reflect such payments.
- (h) The Debtor's Schedule F reflects claims related to deferred compensation and other non-qualified plan benefits and are listed at the amounts shown on the books and records. Such amounts include actuarial estimates of amounts owned under specific benefit plans.
- (i) All third party balances are shown net of any payments made by the Debtors. On August 26, 2009 and September 17, 2009 the Court entered Interim and Final Orders (A) Authorizing the Debtors to Continue to Maintain and Administer Prepetition Customer Programs, Promotions and Practices and Pay and/or Otherwise Honor Their Obligations to Customers in the Ordinary Course of Business Consistent with Past Practice. As a result, the Debtor has not listed obligations related to these Customer Programs, including sweepstakes and subscription liabilities, on Schedule F.
- (j) Schedule F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.
- (k) Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the amount that is the subject of the litigation is uncertain or undetermined. Where the named defendant is "Reader's Digest" or a Reader's Digest purported entity that does not exist, the Debtors have listed such claim on Schedule F of The Reader's Digest Association, Inc. Otherwise, to the extent that litigation involving a particular Debtor has been identified, information regarding that litigation is contained in Schedule F for that Debtor.

**18. Schedule G.**

- (a) The Debtor's business is part of a complex enterprise. Although the Debtor has made every effort to ensure the accuracy of Schedule G, inadvertent errors, omissions or inclusion may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend further or supplement Schedule G as necessary.
- (b) The Debtor further reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument related to a creditor's claim.
- (c) The placing of a contract or lease onto Schedule G shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid and enforceable contract. The Debtor hereby expressly reserves the right to assert that any claim listed on Schedule G does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code.
- (d) Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, but not limited to, purchase orders, amendments, restatements, waivers, letters and other documents which may not be listed on Schedule G or which may be listed as a single entry. The Debtor expressly reserves its right to challenge whether such related materials constitute either a single contract or agreement or are multiple, severable or separate contracts. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease.
- (e) The Debtors may have entered into various other types of agreements in the ordinary course of business, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In such cases, the Debtors made

their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease. The Debtors reserve all rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain of the executory contracts may not have been memorialized and could be subject to dispute. Executory contracts that are oral in nature, if any, have not been included on Schedule G.

- (f) The Debtors are parties to thousands of rights agreements of various forms, including in many cases invoices or purchase orders, under which the Debtors obtain the right to use intellectual property controlled by third parties or license to third parties the right to use intellectual property controlled by the Debtors (collectively, the "Rights Agreements"). The Debtors have not attempted to identify all Rights Agreements because doing so would be unduly burdensome, and as a result, they are not included in Schedule G.

## **19. Schedule H.**

- (a) The Debtor's business is part of a complex enterprise. Although the Debtor has made every effort to ensure the accuracy of Schedule H, inadvertent errors, omissions or inclusion may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status or enforceability of any obligations set forth on Schedule H and to further amend or supplement such Schedule as necessary.
- (b) The Debtor further reserves all of its rights, claims and causes of action with respect to the obligations listed on Schedule H, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument related to a creditor's claim. The listing of a contract, guarantee or other obligation on Schedule H shall not be deemed an admission that such obligation is binding, valid or enforceable.
- (c) In the ordinary course of business, the Debtor is involved in pending and/or threatened litigation and claims arising out of the conduct of its business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. Because of the volume of such claims and because they are all contingent, unliquidated and disputed, they have not been set forth individually on Schedule H.
- (d) In the ordinary course of business, the Debtor enters into agreements with third parties which, at times, cover affiliated companies (including one or more of the Debtors) and/or require co-Debtor entities to be a signatory to such agreements. Schedule H also reflects guaranties by various Debtors and non-Debtor affiliates of obligations of related affiliates. The Debtors may not have identified certain guaranties that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. The Debtors reserve their rights to amend the Schedules to the extent that additional guaranties are identified or such guaranties are discovered to have expired or are

unenforceable, or to contest the validity or enforceability of the guaranties in another filing.

**Specific Notes With Respect to the Debtors' Statements of Financial Affairs**

20. **SOFA 3(b).** Receipts and Disbursements are made through a centralized and consolidated cash management system that includes approximately one hundred and six (106) accounts held in the name of specific Debtors. All disbursement information is reported on the Statements of Financial Affairs of the Debtor that holds the relevant bank account. Not every Debtor maintains a disbursement account. For those Debtors without a disbursement account, disbursements are made on their behalf by another Debtor via its disbursement account, and the transaction is recorded through the accounting system as an Intercompany Transaction.

The Intercompany Transactions are accounted for through transfers of cash to and from appropriate bank accounts in and out of the Debtors' cash management system after credits, setoffs and other adjustments are made to intercompany accounts receivable and accounts payable as part of the "netting" process among the Debtor and its Debtor and non-Debtor affiliates. The U.S. Debtors' Intercompany Transactions are not routinely settled. It would be unduly burdensome for the Debtor to separately identify each of these transactions for purposes of the SOFA. Accordingly, these payments and other transactions have not been listed.

21. **SOFA 3(c).** For purposes of the Statements, the Debtors define insiders as (i) directors, (ii) members of the Executive Committee, where one exists, (iii) officers of each Debtor other than persons who hold solely a power of attorney or the title of assistant secretary, assistant treasurer or a similar title, and (iv) equity owners of 5% or more. To the extent that former officers do not qualify as insiders as defined above, benefits and payments to them are not included in the Schedules and Statements. The Debtors reserve all rights to dispute whether someone identified in response to Question 3(c) is in fact an "insider" as defined in section 101(31) of the Bankruptcy Code. Further, because the Debtors operate under a central and consolidated cash management system, payroll and employee disbursements are made by Reader's Digest on behalf of all of the Debtors. As a result, those disbursements are reflected on Reader's Digest's SOFA 3(c). For more information regarding each Debtor's officers and directors see SOFA 21(b) and SOFA 22(b).

**SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS**

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name and mailing address, including zip code, and account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether husband, or wife, both of them or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotal" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Repeat this total also on the Summary of Schedules.

☐ Check this box if debtor has no creditors holding unsecured priority claims to report on this Schedule E.

Case Number: 09-23529 (RDD)

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

☐ Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.
